

CHARGES FOR SERVICE LINE INSTALLATIONS

Effective January 1, 2021

AUC Decision: 25863-D01-2020

ATCO Gas (North)

Service Line Diameter	Summer	Winter
15 mm or 26 mm (up to and including 15 metres) Linear charge for length over 15 metres	\$936 \$52/metre	\$1,207 \$70/metre
42 mm or 60 mm (up to 15 metres) Linear charge for length over 15 metres	\$1,243 \$73/metre	\$1,623 \$97/metre
Greater than 60 mm	Contract Price	Contract Price
Credit for provision of service line trench in 4-party installation	\$43	\$219

- Charges for goods and/or services received by the customer will be those in effect at the time construction is completed.
- Summer and Winter conditions are determined by the ATCO Gas representative on site. Typically, winter conditions are 150 mm or more of frozen ground and/or at least 300 mm of snow cover.
- The customer will be charged for the primary service line from the property line to the gas meter location when the main is located outside the customer's property. The customer will be charged for the primary service line from the edge of easement to the gas meter location when the main is located in an easement within the customer's property.
- The charges above do not apply to Rural Grantable Customers.

RURAL GRANTABLE CUSTOMER CONNECTION CHARGES

Rural pool customer connect charge	\$8,036
Urban pool customer connect charge	\$3,081
